WINGS of Hope Annual Gathering for people bereaved by suicide

Former WINGS of Hope President and WINGS of Hope Ambassador, Wendy McWilliam invites you to this special ceremony to honour and remember loved ones lost to suicide.

WINGS of Hope hosts this intimate, public event to bring together the bereaved by suicide in our community, to remind those bereaved that they are not alone in their loss and to inspire hope. The Gathering is registered as part of the global initiative “International Survivors of Suicide Loss Day” and will again be, one of the many gatherings around the world bringing together those bereaved by suicide.

This will be a COVID Safe and due to Government-mandated and Council requirements we can only allow 30 registered people to attend. Registration is required.

Justin, Imogen and Brenda will share their stories and messages of hope.

The Gathering will be supported by Dr Diana Sands, Centre for Intense Grief who will guide guests to cast a flower into the water off Rocky Point Island in memory of their loved ones.
